COMMITTEE REFUSES
DICTATION BY M'ADOOSenate Banking Body Says House
Must Have Time to Consider Reserve Amendment.

The House Committee on Banking and Currency refused yesterday to accept dictation from Secretary of the Treasury McAdoo and the Federal Reserve Board, and voted to recommend the passage of the Senate bill amending the currency law with respect to the reserve of the banks whereby power was granted the board to permit member banks in the Federal reserve system to carry in the reserve banks practically all of their gold reserves.

The committee took the ground that as the responsible branch of the government the House should reserve to itself the right at least to consider at dignified length the suggestions of the board. While the committee was in session, Secretary of the Treasury McAdoo called up on the telephone and informed Chairman Glass that the bill containing this provision should be put through at once. He stated that members of the Federal Reserve Board feel that there will be less danger in putting the new reserve system into operation if member banks are permitted to send forward, without limitation, except such as the board may designate, their gold reserves to the reserve banks. Mr. Glass informed the committee of the situation.

The radical members of the committee joined in support of immediate consideration with the result that a motion by Representative Weaver, of Oklahoma, that the committee begin its consideration of the bill yesterday was adopted by a vote of 7 to 5.

Senatorial predilections for wild-cat banking receding, a black eye in the House Committee on Banking and Currency yesterday, when, by a vote of 11 to 4, the committee voted to report favorably the bill for the use of the Federal Reserve system to issue currency against commercial paper to the extent of 100 per cent of the unimpaired capital and surplus, but struck from that measure Section 2, which provided that State banks, not members of the system, should enjoy a similar privilege.

IF BILIOUS, SICK
OR CONSTIPATED
TAKE CASCARETS

No Headache, Bad Cold, Sour Stomach, or Costive Bowels by Morning.

Get a 10-cent box now. You're bilious! You have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean, and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleansing up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver, and bowels are cured by morning with gentle, thorough—Cascarets—they work while you sleep. A 10-cent box of your druggist will keep your liver and bowels clean; stomach sweet, and your head clear for months. Children love to take Cascarets because they taste good and never gripe or sicken—Adv.
